Merry Christmas!! Happy New Year!!

Thank you to all who shared time and offerings at Christmas! Our gatherings in this Holy Season have been full and rich with musical joy, the glow of candlelight, and the warmth of many friends reconnecting at church. The 3 o'clock Family Service on Christmas Eve was a special delight as our children led worship and told the Story, the wondrous Christmas Gospel of joy and peace "for all the people."

It's a message that carries over to 2011, and as we turn the calendar now to a new year, I encourage you to feed your faith with new opportunities at CTS. We're eager to share a number of new initiatives in this new year aimed at deepening faith, strengthening commitments, and sharing the blessings we know in this community of faith.

Come and meet **Leta Behrens, our new Director of Children's Ministry**. Leta brings a wealth of practical experience in children's ministry. She loves the church, and she loves kids! We are excited to welcome her this month.

Our adult ed survey is still online at www.ctsonline.org. We'll be using the Sunday School hour early in the year for more adult fellowship opportunities, café-style in the Fellowship Hall. Come check out the **Koinonia Café** beginning January 9.

I'll be teaching a great **new Bible introductory course** for adults, Sunday mornings at 9:15 am also beginning January 9 in the Story Room. *The Greatest Story* covers the entire Bible from Genesis to Revelation as it introduces key people, places, and events in an easy-to-understand story. Participants are invited to explore where they fit in the greatest story and how the greatest story fits in their lives.

We're offering series of orientation sessions for **New Members** on Sunday evenings in January in advance of a **New Member Sunday** on January 30. We invite your prayers and your connecting with members new to our community this month; help us live out what we say: "All are welcome in this place!"

Several CTS leaders participated in the site dedication ceremony for the **Habitat for Humanity** Coal Creek project in Lafayette on November 21. Habitat will break ground for foundation work in just a few weeks, and we've made both financial and volunteer labor commitments for this major mission project this year. Watch our announcements for information about how to help on a CTS work day. As we help build a house, we're certain also to be building relationships, and building faith!

Blessings to you for a Spirit-filled 2011!

+Pr Joel Brandt

New Year's Resolutions

A Cure for Apathy!

Greetings friends and family at Christ the Servant,

New Year's resolutions are always made with careful thought and positive consideration to improve ourselves. We always want to get into "good habits." Many things are considered when we make resolutions. As I look at my making of previous resolutions, I think a couple of the biggest things I vainly took into consideration were how I could benefit from them and what the reaction would be of those around me. Let's face it, if these are the only intentions of a resolution, the chances of them successfully becoming a regular part of any routine are slim.

Resolutions usually last until...Oh...depends on the resolution. Dieting: until the next big occasion to eat with others; Workout and exercise: wait till the treadmill goes on sale; Read more books: until other things demand more time; Praying everyday as soon as I get up: until I forget one day and there are no apparent repercussions for skipping a morning; Get more involved: as soon as someone asks me or requests help again.

I believe the biggest way to keep a resolution is to first of all thoughtfully pray, then be sure you are willing to 'walk the walk' and not just give lip service. Make a commitment to yourself and others to accomplish something that will be of benefit to many.

Not sure what kind of resolution to make? How about considering getting involved OR re-involved with our ministries. We have an immediate need for some committee chairs. We are looking for a Fellowship Chair, a Children's Committee Chair and a Chair for a subcommittee for our energy savings fundraising effort. Also, all committees need more members that can share ideas and offer support.

Not really caring what happens right now at your church? How about making a resolution to make CtS the church of choice this year! Take time to look at the positive things that have been happening and share your thoughts about how to make things even better.

No time for these kinds of resolutions? Then how about just inviting guests or asking MIA (missing in attendance) members to revisit? Or maybe you could add your name to the prayer chain? You might also let the pastors know when something needs their attention such as a sick member or a person who may need pastoral care but doesn't know how to ask.

There are many different, large and small, resolutions that you can make to support an inclusive and vibrant church community here at Christ the Servant. Thank you so much for being a part of our church family.

Please feel free to call or email me with any questions or concerns. rgeist@msn.com or (303) 469-1939

Enjoy L.I.F.E

Randy

Planned Giving

Planned Giving...

What is it? Planned giving provides new approaches for supporting your family and the ministries of the church that are important and meaningful to you, including the ministries and missions of Christ the Servant.

Your personal desire to care for family and loved ones both in life and in death is highly commendable. Another dimension of Christian stewardship is to provide for the advancement of God's Kingdom in this world. Gifts can be planned that will ultimately express your values and your love for the Lord through support of ministries of the Church both here in Colorado and abroad.

Many of us have received abundant blessing and provision from the Lord which served us in our lifetimes and will benefit loved ones and our favorite ministries after our earthly days. You can make ministry happen by leaving a legacy. It can take a number of forms:

- † Wills/Bequest Planning
- † Estate Preservation (saving on federal estate and state inheritance taxes)
- † Life Income Agreements
- † Memorial and **Endowments**

Contact an experienced advisor for financial planning. For further information about an **Endowment** gift, please call Janet Geist, CTS Council Member and CTS Endowment Committee Member at janet.geist@thrivent.com.

Sunday School for All!

Adults, did you know Sunday School is not just for kids? Come check out Sunday School at 9:15am. Pastor Joel will be leading a 16 week Bible Survey study, we will have some guest speakers coming to share their gifts starting in January, and Koinonia Kafe will take place in the fellowship hall (with coffee flowing and maybe some treats). Come be part of any of those times, looking for good conversation and coffee (what more could us Lutherans need?). Questions? See [Pastor Joel](#) or [Pastor Annemarie](#).

CTS STAFF NOTES

Staff Notes: As we continue our blessings and give thanks, please know that at our staff meetings, we will be praying for you and your families and giving praise for all you do in our community!

If you have any additional prayers, please write them on your attendance sheet or let us know. We love all of you!

WELCOME!

The Church Council has approved the hiring of Leta Behrens as new Director of Children's Ministry. She will be around the office in January. Look for or contact Leta at (303) 666-4655 and welcome her to our CTS family!

Nursery News :

If you are interested in spending some quality time with awesome little ones, please contact Lisa Williams at ctslcsecretary@qwestoffice.net or Helen Mac Donald helenmac@live.com to make this a regular part of your worship.

Thank you!

Happy New Year friends! As we begin this new year, full of newness and life, a little prayer for you:

Father, Give us a new year. Not just a new number, but a truly new year. Give us a year full of new things, new adventures, new attitudes, and visions. Lord, give us a new year full of new ideas and refresh some of our old ideas. Give us new relationships and renew old relationships, and restore relationships that have been broken. Father, give us a new year. Give us a new song. Give us a new memory. Give us a new image of Your Son, and help us to show His image of those who are new to You. Give us new thoughts and new friends. Father, give us a new year. The year that has just ended was difficult for some of us. There were struggles and frustrations and disappointments that at times consumed us. Give us strength and clarity as we continue to handle these struggles in our lives, remembering you are in them with us. Father, give us a new year. Give us a year filled with new ministries, new opportunities, new voices, and new messages. Help us hold on to the old things that are worth holding, and help us let go of the old things that have served their purpose. Father, give us a new year. Give us a year that is not controlled by fear. A year in which we are not afraid of people who are different. A year when we are not afraid of ideas that are new, of plans that are new, and places that are new. Father, give us a new year. Give us a year filled with new love. A new love for You. A new love for each other. A new love for strangers. A new love for the helpless. A new love for the needy. A new love for poor. A new love for rich. A new love for all people. Father, give us a new year. Help us put the old one to bed. Help us to leave the things of the past in the past. Help us look forward. Help us look beyond what we can see to what You have planned for us that we cannot see. Help us move forward with confidence and courage and humility and gentleness. Father, give us a new year. Help us, in this New Year to live our lives for You and see in You in all we do. Father, thank you for this new year that we may be refreshed and renewed in you. Amen. May 2011 rock your world!

Concise History of World Religions (HIST-NATG). This National Geographic Book is an illustrated time line of the history of religions throughout the world, starting from 5000 BC to the present. With respect to the timelines, the pages have coordinated columns with the themes "People and Places", "Documents, Arts, and Artifacts", "Worship and Doctrine", "Religion in the World", and "World Events". With the help of the Table of Contents, and the Index, one can narrow down to a particular era, and understand in several pages what was happening in a geographical region of

interest, and elsewhere.

The chapters begin with a one page summary of a major theme. There are numerous sidebars every other page that discuss in a single column a specific topic (e.g. "The Kingdom of Ife" in Africa, "Pope "Alexander VI", "German Sects in America", "The Oxford Movement" etc). There are many excellent photos in this book.

This book nicely presents the history of religion in a very attractive, concise, and enjoyable manner.

Coal Creek Village Prayer Circle and Land Dedication

Our involvement at CTS with Habitat, as an Apostles' Build Partner, entered a new and exciting phase on a cold and windy November Sunday afternoon. The land dedication for the Coal Creek Village Site took place on November 21 with Pr. Joel and representatives from the other Apostles' Build partners giving dedication remarks. As Pr. Joel noted, the Habitat partnership is a great fit for CTS. In providing affordable quality housing that meets needs in our own community, we work towards fulfillment of our mission as Christ the Servant. Pr. Joel was joined by Pr. Annemarie and five others from CTS. Our Apostles' Build Partners for the Coal Creek site are Flatirons Community Church, Thrivent Financial for Lutherans, Erie United Methodist Church, Immaculate Conception Catholic Church and Rock Creek Church.

Building the first (of two) 4-unit dwellings at Coal Creek is happening! Next steps in the project include family selection (underway), pouring of the foundation, and the start of construction. Opportunities for us to participate as construction volunteers will begin around March 2011, and will continue throughout the year. Look for sign-ups in the coming months. We had a great crew to help on the CTS-Thrivent day at the North Boulder site last summer, and can now look forward to more fun and hard work together on our Apostles' Build site. The nearest address to the site is 1698 Parkside Circle, Lafayette, CO, just South of Lamont Does Park. Stop by and have a look at the land, and watch things progress. We have a Habitat link on our web page (www.ctsonline.org) to track visible progress at the site as well as updates on Habitat-related opportunities.

On the financial side, we have pledged for one sixth (two Apostle shares) of a \$100,000 unit sponsorship. Thanks to the generous support of the congregation through various past activities, including most recently the fall Golf Tournament, about half of our pledge is paid up. If you would like to contribute a direct financial gift to the project, consider adding a designated line item to your automated Simply Giving pledge, or just include drop a check into the plate with Habitat on the check memo. Other opportunities for involvement include lunch preparation for construction volunteers, organizational help, and coaching for Habitat and community families through the Keys program. See the web site for details and contact information.

CTS Church Yard Sale !

What do you do with all those treasures around your house that you no longer want or need? We've got the answer: save them for us to sell at our Church Yard Sale on April 30th!

All items including furniture that are in good condition will be collected.

Proceeds will go to help fund our High School Mission Trip to Jamaica this summer. Thanks!

CTS Blood Drive A Success!

Christ the Servant hosted our annual Bonfils Blood Center blood drive on Wednesday, December 8th.

As you know, the need for blood donations is constant, and Bonfils would not be able to meet their goal

Cont'd

of over 4,000 donations each week without volunteers like CTS members and friends.

There were 23 people who came to donate, and Bonfils collected 22 units which will help as many as 66 Colorado patients. We also had 3 first time donors at our drive, which is fantastic!

Many people believe one of the greatest gifts we receive from our Lord is the gift of health. For those of you who are healthy and share your precious gift of blood for strangers in need, you are sharing the gift of health and life with others. What a wonderful gift for you to give!

Thank you for those who donated blood this year. Look for the announcement next winter to share your gift!
