

**We, your Super Dome, Challenger Matrix Wall and Free-Standing Rumble Seat Slide, are just sitting in a warehouse waiting for you to bring us to CTS!** We would much rather have the kids climb all over us rather than just collecting dust. We want to join the benches and playhouses that are already at your church. Did you know you got us 30% off? Only the last \$8,000 is needed.

**Will you help us escape?**

**Any amount is welcome!** This would be a great alternate Christmas gift. Giving envelopes are available on the slide outside of the sanctuary.

You can also Adopt A Paver.

**Thank you all of you who have helped us already raise \$6,300!** The playground will be a fantastic evangelism tool to show the community we value children and families as well as being a gathering place for families and of course a ton of fun for kids for years to come. How awesome!

*Mark  
in your  
calendar*

Let the fun begin... **January 21<sup>st</sup> & 28th**  
**will be our first workdays** to put up  
the cement block wall and/or the fence.  
(Of course these are weather permitting.)
