

God, Girlfriends & Chocolate

Did you know that on the 7th day, before God rested, he created chocolate? All women are invited to explore how richly, extravagantly, and surprisingly God indulges us with his love and grace. What better metaphor for grace is there than chocolate? We will laugh, cry, rejoice and worship together exploring how God's grace is rich and transforming. We will walk with each other through Bible study, nature walks, games and free time exploring how God's grace is a gift. As always, friends are welcome to join us!

We will gather in one of their beautiful Retreat Center conference rooms with lots of windows, cathedral ceilings and spectacular views of the mountains. Their website is www.highlandscamp.org.
